Alert : We would like to bring to your notice that Infosys follows a merit-based employee recruitment practice with extensive screening steps. Please note that the candidate with credible identity and required skill sets are only to take part in the recruitment process. Any instances of fake identity, impersonation or malpractice during any stages of recruitment process will be treated as violation of law of the land and will lead to strict actions including notification to governmental authorities, police and termination of employment.

Privacy Statement

Please note that you are receiving this email as part of Infosys interview process. During the interview, your facial image would be captured and will be compared (using automated AI/ML algorithms) against the photograph shared by you at job application stage in order to verify whether it is the same person appearing at all the stages of recruitment process and to prevent impersonation, frauds etc. You will also be asked to present your Valid ID proof (do not share your Aadhar) to verify your identity, no screenshots will be taken capturing the same. Your data will be stored on our authorized vendor's cloud servers in India. Please do not share any personal data belonging to you or any other person(s) which is unrelated to the business purpose. Personal Data will not be retained for a period more than necessary to fulfill the purposes outlined in this privacy statement unless a longer retention period is required by law or for directly related legitimate business purposes. Infosys adopts reasonable and appropriate security practices and procedures including administrative, physical security, and technical controls in order to safeguard your Personal Data. You are entitled at any time to exercise your Data Privacy Rights as per applicable DP Laws by sending us a message at privacy@infosys.com. By attending this interview, you acknowledge that you have read this privacy statement and consent to the above collection and processing of your personal data by Infosys.

Regards,
Talent Acquisition
Infosys Ltd
